Subject – Remission of Rs 1600/- claimed by Toddy Vend Farmer Anjanee for Oaduvalli Circle of 4-shops of Hiriyur Taluk

Reference – Ex Commrs No $\frac{5523}{504}$ of 24-6-95

The above farm was sold for Rs 265/10/- monthly or Rs 3984/6/- for 15 months

2. The file is incomplete. There is nothing on record to show when the default occurred & what steps were taken for the recovery thereof at the outset. –

3. On 19th February 94 the farmer petitioned the Dy. Commr to say that the high bid made was in expectation of Ooduvalli Tank Project being worked in 93-94. But owing to non-drinking classes being engaged and not Woddars who left the place for work elsewhere, he did not realize the amount anticipated and therefore suffered a loss of 151-8-0 monthly.

4. The following facts were elicited.

(a) The tank work was carried o

in 1893-94 – –

(b) (1) – The D.P.W. Contractor, Bheema Row says in 93-94 he employed 240 Coolies daily.

(2) The D.P.W. Temporary Maistry states 230 coolies were employ ed daily as per margin and most of them were of the drinking classes

150 men Woddars
50 Kal – do
30 other classes

(3) The P.W.D. Overseer, Nagaratna Modlier says that

Bellary Band	80
Achiggars -do-	40
Ananthapur Gunnavas do.	40
Sukaligars	20
Kal Woddars	40
Mussalman	10
	230

that 230 Coolies as per margin of the drinking classes were employed daily in 93-94.

(b) The farmer gives his sales at 7½ gadas daily valued at Rs 157/8/- monthly, puts his expenditure down at Rs 44/- and his net receipts at 113/8/- He had to pay Rs 265/10/- to Govt. His loss at Rs 151-8 [illegible] should have been only (152-2-0).

(C) The Taluk Inspector visited the shops as per

on 11 days - Goduvalli shop Average 7½ gadas daily
on 6 days - Yellarakere - 1½ - do.
on 3 days - Halmarenhalli - 1/6 - do
Total Average 10/6 gadas daily

margin and found the sales at 3 out of 4 shops on the average to be 10/6 gadas daily This would give @ 12 annas a gada Rs 7-13-0 daily or Rs 234/6/- monthly. Deducting Rs 44/- as expenses ~~and~~ By 190/6/- wd Enam [illegible] Government Khist Rs 265/10/ or a net loss Rs 75/4/- monthly.

(d) The receipts of previous and subsequent years are given below:-

1889/90 — Rs 28
1890/91 — Rs 32
1891/92 — Rs 46
1892/93 — — The Contractor says he suffered loss on this farm & 21 other shops.
1894/95 — Rs 91.

5. The Dy Commr is of opinion that the sudden rise of the value of the Farm from the small sums derived in previous years to Rs 262/10/- monthly and the fall of the sale to Rs 91/- in 94-95 as above exhibited, indicate that the

farm was worked at a considerable loss especially as the tank work was in full swing in 94-95 when only a 3rd of the Revenue was obtained and therefore recommends the remission of Rs 1600/- outstanding with interest and this request is supported by the Ex. Commissioner.

Orders are solicited.

T. H. Supd.

Laid to 3rd Councillor.

Please see the Dy Commr's letter of 3rd May 95. I do not think it is necessary to send the case back for a further report. The ^whole^ history of the case in question was a record of struggle with the farmer throughout. The arrears went on gradually accumulating. A sale would have been as prejudicial to Govt as ruinous to the farmer. Ev

No. 387
(one remission statement
and a file of vernacular papers)

To,
The Excise Commissioner
in Mysore

Sir,

In submitting a remission Statement in favor of one Anjanee, toddy Vend Farmer of the Ooduvalli Firka of the Hiriyur Taluk for the year 1893-94 (15 months), I have the honor to state that the Firka in question consists 4 shops of which 3 are very insignificant, the only shop of any importance being the one at Ooduvalli. The accompanying file of papers shows that before the introduction of the new System, the Taluk contractor had sublet the Firka in question in the years 1889-90,

1890/91,

890/91, and 891/92 for Rs 28, 32, and 46 respectively. In 1892/93 these and 21 other shops were clubbed together and sold by Government for Rs 701-4-3, including local Cess. I understand that in making this purchase the rend farmer could not have valued the Firka in question at more than 50 or 60 Rs. And yet he says he sustained a loss. In 1893/94 the rental for this Firka went up at one bound from the small figures given above to Rs 265-10-0 inclusive of Cess. The chief reason for this considerable rise was the expectation that the new tank under construction near Ooduwalle would attract a very large amount of labour. I also learn that owing to an animus between certain persons there was a reckless competition, resulting in this Firka being sold for very much more than it could possibly be worth. The tank work did not make such rapid progress as was expected. The sales seem consequently to have fallen far short of expectations. It was with considerable difficulty that the said Farmer could be made to pay up all the money due by him except the amount shown in the remission statement. He pleads that he has suffered heavy loss and that his hard case should be given a favorable consideration. From enquiries made by me on the spot, I am of opinion that the man's allegations have their foundation in fact and that he has already paid more than his gross realizations. In the following year viz 1894/95 the rental for this Firka fell off from Rs 265/10/. to Rs 91/6/. ~~fn~~ For 1895/96, there was a further falling off of Rs 6/6/. The said tank work was in full swing in 1894/95 and is expected to be under execution till about the end of next year. The fact that notwithstanding

1889/90	~~Rs~~ 28
90/91 -	32

92/93	50 or 60.
93/94	× 265-10.
94/95	91-6-0
95/96	85-0

notwithstanding the existence of the same prospects, the rental for 1894/95 and 1895/96 was only about a third of the rental for 1893/94, shows that there is considerable truth in the statement, that the Farm was worked at a heavy loss, during the year last mentioned. In these circumstances I think that though according to the strict letter of the Rules, every pie of the rental is enforceable, yet out of pity for the man, whose recklessness and unreasonable expectation led almost to his ruin, the Government may be approached with a recommendation that the arrears still due be directed to be struck off the accounts. Such consideration graciously shown in rare cases of peculiar hardship, such as the one under notice, will I believe in the long run prove more beneficial to the interests of Excise Revenue than otherwise.

I beg therefore that you will kindly forward the remission statement to Government with your strong support.

No. 641

After considerable delay this record has come back to me in an incomplete state. The late Amildar's report No. 111 dated 3/4/94 has since been found in this office & is attached to this record. What is wanted is (1) the accts books of the farmer. The statement that they were produced before the late Amildar is not borne out by the report No. 111 - Enquiry should be made as to what accts the man kept & what has become of them; (2) the statement of the D.P.W. contractor

to the [illegible] Officer
to those in charge of
the work as to probable
average daily sales;
(3) the statement of
the person who had
taken up the [illegible] farm
in 1892-93 as to how
he fared during that
year. (4) What was
the average rental ~~[illegible]~~ which was being paid to the contractor in the
years previous to 1892-93
The Amildar is directed
to hold this enquiry
himself & to ~~send~~ submit
a detailed report
before the 20th of this
month
